

MOHAMMED BILAAL BASHA A

Final-Year B.E. Mechatronics Engineering Student

mohammedbilaalbasha2005@gmail.com | +91 99447 58261

PROFILE

Final-year Mechatronics Engineering student combining engineering, programming, AI, IoT, and embedded technologies to develop practical solutions.

EDUCATION

B.E. Mechatronics Engineering - SNS College of Technology

2024-2027 | CGPA: 8.40 up to VI Semester

TECHNICAL SKILLS

Programming: Python, Java, HTML, C, C++

Cloud & AI: AWS Fundamentals, Microsoft Azure AI, AI-900 Certification

Engineering & Tools: SolidWorks 3D Modeling, MS Excel, Git, GitHub

Core Areas: Embedded Systems, IoT, Deep Learning, Natural Language Processing

INTERNSHIP EXPERIENCE

AI Text Summarization Intern

AICTE Online | December 2025

Industrial Design Intern

TITAN Watches - On-site | June 2025

IT Project Intern

Dia Infra Solutions Pvt. Ltd. - On-site | August 2024

AWS Cloud Intern

Internship Studio - Online | March 2024

SELECTED PROJECTS

- AI-Powered Digital Identity Protection Application - Deep Learning, Facial Recognition, AI
- Line Following Robot Using Embedded Systems - IR Sensors, Robotics, IoT
- Personal Expense Tracker Web App - HTML, Java, Web Development

PROFESSIONAL STRENGTHS & LANGUAGES

Communication, Critical Thinking, Leadership

Languages: English, Tamil, Hindi, Urdu
